Commissioner of Patents

The reply filed on 15 December 2000 is not fully responsive to the prior Office action because: Applicant did not respond to the rejections of record. It does not appear that Applicant intended the sequence list entry to be a complete response to the Office action dated 15 December 2000, however, any communication received after the mailing of an Office action is considered a response to the Office action. Since the period for reply set forth in the prior Office action has not expired, applicant may still obtain an extension of time under 37 CFR 1.136(a) in order to fully respond to the Office action. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christine J. Saoud, Ph.D., whose telephone number is (703) 305-7519. The examiner can normally be reached on Monday to Friday from 7AM to 3PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gary Kunz, can be reached on (703) 308-4623.
